

DECEMBER 2021 | NEWSLETTER 08

The Recycling Times

HADCO Group's Recycling Division Monthly E-Newsletter

Stay off the naughty list. Recycle your wrapping paper and cardboard this Christmas!

As mentioned in our previous e-article, over 227,000 miles of wrapping paper is thrown away in a year, which equates to roughly 108 million rolls of paper. What a waste!

The good news is we can do something about it. With your help, we can close the recycling loop.

New Age Recycling therefore, wants to encourage you to do your part, by making it easier for you to dispose of your wrapping paper and cardboard boxes more responsibly and without hassle, this yuletide season.

From now till January 7th, interested groups can take part in our Christmas recycling drive by encouraging employees to bring in their seasonal wastepaper and cardboard to their company and New Age Recycling will collect it free of charge!

" BUSINESSES CAN TAKE PART IN OUR CHRISTMAS RECYCLING DRIVE BY ENCOURAGING EMPLOYEES TO BRING IN THEIR SEASONAL WASTEPAPER AND CARDBOARD. "

Kevin Whiteman -
Managing Director,
HADCO Group -
Recycling Division

More Christmas recycling tips

- Cards and wrapping paper that feature glitter, metal foiling, or any other kind of embellishments cannot be recycled.
- As a result of the on-going pandemic, we have relied much more on delivery services to reduce the need to leave our homes. Remember to recycle these boxes as well.
- We are increasing our number of scheduled collections for the Christmas season. Contact us to book your pick-up today.

Request our free collection service or visit our drop off points
